About Our Company

PT Dua Prosperita Nusantara is a company dedicated to delivering comprehensive solutions in the field of Information Technology (IT), along with a wide range of high-quality products. Our portfolio includes equipment and cleaning machines, industrial machinery, measuring instruments, automotive tools, material handling equipment, safety and security products, consumer electronics, communication devices, computers, office supplies, and furniture.

We are committed to building strong and sustainable partnerships with both our clients and suppliers. Through fast, reliable, and customer-focused services, we continuously strive to exceed expectations and achieve shared success.

Our Vision

To become a trusted solutions partner, transforming supply chains through innovative partnerships while fostering long-term relationships and mutual growth.

Our Mission

To connect customers with reliable vendors by delivering timely, cost-effective, and high-quality services. We strive to facilitate efficient supply chains through collaborative partnerships, continuous innovation, and a commitment to exceeding expectations.

Line of Product

Computer

An extensive selection of computing devices, including Personal Computers (Desktops, Laptops, All-in-One) and peripheral devices such as keyboards, mice, and monitors.

Networking Device & Data Center

A complete range of networking devices, including routers, switches, access points, and network security solutions tailored to meet modern enterprise demands. We also provide scalable data center design and implementation services, including server virtualization, storage solutions, backup & recovery, and cloud integration.

Software

Comprehensive software licensing solutions, including Adobe, antivirus software, Google Workspace, AutoCAD, Zoom, Microsoft, and more.

Consumer Electronics

A wide range of consumer electronic products, including: Home Entertainment Systems (TVs, audio systems), Home Appliances (vacuum cleaners, refrigerators, ovens, fans, washing machines, air conditioners), Smart Home Devices (smart speakers, security cameras, home automation systems)

Line of Product

Furniture

A wide assortment of office furniture supply and installation services, including chairs, desks, sofas, occasional tables, storage units, carpeting & blinds, beds, custom-made furniture, and other furniture accessories.

Tools & Cleaning Equipment

A comprehensive range of tools, including power tools, hand tools, pneumatic tools, and industrial cleaning equipment. Our products cater to industries such as construction, mining, automotive, woodworking, and other manufacturing sectors.

Stationery

A complete selection of quality office supplies and corporate stationery products used across various industries.

Machinery & Automotive

A full selection of automotive and heavy equipment supply, including two-wheeled, three-wheeled, and four-wheeled vehicles, as well as vehicle rental services. Machinery supply includes generator sets, pumps, water purifiers, and other industrial machinery products with installation services.

Line of Product

Material Handling

A wide selection of warehouse equipment products, including racking systems, shelving, workbenches, containers, pallets, hoists, forklifts, stackers, trucks, and drums. These products are widely used in retail, food & pharmaceutical industries, logistics, automotive, ports, chemicals, wood processing, mining, and other manufacturing sectors.

Measuring & Electrical

A comprehensive range of electrical supplies and precision measuring instruments, including vernier calipers, micrometers, indicators, linear height gauges, digital scales, hardness testing systems, form measurement tools, optical measuring devices, various gauges, bubble levels, protractors, and rulers.
